

## Florida Told to Brace for Hurricane

MIAMI, Fla. (AP)—The Weather Bureau hoisted hurricane warnings in Miami and Fort Lauderdale today as hurricane Donna churned a turbulent 200-mile-wide path near the south Florida mainland.

Storm forecaster Bernie Moore said Miami and Fort Lauderdale were expected to be in only the edge of Donna's hurricane strength winds. The center of the storm, with the highest winds estimated at 150 miles an hour, was still expected to pass through the Florida straits south of Key West.

The Miami area probably will experience top winds of 75 miles, and those only in gusts, the forecaster said.

A dangerous hurricane now threatens most of extreme south Florida, the Weather Bureau advisory said.

Gale warnings were raised as far north as Vero Beach, 135 miles north of Miami, and a hurricane watch extended to Melbourne, 178 miles north of Miami.

Extension of the hurricane warning area north to Miami and Fort Lauderdale resulted, the forecaster said, "from a slight intensification of the hurricane and a very slight displacement northward of the track previously forecast."

They urged prompt emergency measures in the entire area.

At 11 a.m., EST, Donna's center was reported about 154 miles south-southeast of Miami and an equal distance east-southeast of Key West. It was moving west-northwest at about 12 miles an hour, and no material change was expected in speed or direction during the next 12 hours.

Tide water might start overflowing some of the keys between the mainland and Key West by early afternoon, the advisory said. That would close the U. S. No. 1 highway—the only overland connection of Key West with the mainland.

Many thousands of Keys residents already have fled to the mainland and into Key West.

Top winds in the hurricane continued at 150 miles an hour and hurricane strength winds extended out 125 miles to the northeast and 80 miles to the southwest. Gale winds fanned out 250 miles northeast and 140 miles to the southwest.

The area covered by the newly extended hurricane warnings continued on Page Four

## Value of U. S. Gold Supply Dips

WASHINGTON (AP)—For the first time in 20 years, the value of the U. S. gold supply has dropped below \$19 billion.

The Federal Reserve Board released figures Thursday showing a drop in gold holdings of \$700 million from the previous week. The total averaged \$18,990,000,000 in the week ended Wednesday.

Foreign governments in the past three months have bought more than \$250 million of American gold, compared with about \$700 during all of 1959.

Treasury officials expressed no concern over the gold movements. Two reasons cited for the outflow were higher interest rates abroad and a buildup of dollar credits overseas.

## West Believes Mr. K Created Berlin Crisis

By JOHN SCALI

WASHINGTON (AP)—West Germany suspects that Soviet Premier Nikita Khrushchev may trigger off a new Berlin crisis during his United Nations appearance.

West German diplomats, already apprehensive about East German Communist moves to handicap shipping and travel has appealed to the State Department.

Khrushchev's main motive, despite his widely advertised intention of talking about disarmament, may be to impose a new deadline for allied evacuation of the divided city, they have reported.

Administration officials are weighing this potential Khrushchev aim against a wide range of other possibilities, such as Khrushchev moves to woo new African countries, boost of Soviet scientific might and denounce alleged American spying.

Several recent moves have renewed fears of a possible Berlin crisis.

Communist East Germany Thursday ordered a new restriction on travel within the divided city, requiring special permits for West German citizens wanting to visit East Berlin.

For five days last week it blocked travel from West Germany into Berlin for many would-be visitors not residents of Berlin. Barge traffic into the city also was held up for a time.

Secretary of State Christian A. Herter made it clear Thursday he is among those who believe Khrushchev intends to stage an irresponsible propaganda offensive when he shows up in 10 days.

Herter in a review of world ills called attention to what he described as "the frenzied Soviet publicity campaign" accompanying Khrushchev's decision to go to New York. He said bluntly "the outlook right now is not promising" for serious negotiation.

## Dog Apparently Changing Sex

LONDON (AP)—An 8-year-old boxer dog named Buller has astounded veterinary surgeons by starting to change sex.

"This is a terrible shock both to me and to Buller," said the dog's owner, Charles Vincell, "I have just renamed him Lulu."

Buller licked Vincell's hand and looked puzzled.

The case has amazed surgeons at the Royal Veterinary Hospital and the Royal Society for the Prevention of Cruelty to Animals.

Up to now they believed no mature male dog could begin turning into a female.

Vincell said Buller is taking it hard—moping about the house and hardly touching his food.

Buller, heavy-jowled and red-eyed, starting the big changeover a week ago. Vincell's son-in-law, James Edwards, took him to an RSPCA clinic.

"I was surprised when the vet asked what was the matter with her," Edwards reported. "But it was the vet's turn to be surprised when I said Buller wasn't a her but a him."

An official at the RSPCA clinic confirmed the story.

## Thinks Little of Soviet Premier

NEW YORK (AP)—Former President Harry S. Truman had this brief comment today on Soviet Premier Nikita S. Khrushchev's forthcoming sea trip to the United Nations:

"He can fall in the Atlantic Ocean, as far as I'm concerned."

Truman talked with newsmen on his arrival by train.

## Livestock Show Promises to Be Best Here

A number of meetings have been held within the past few days to work out the final plans for the Annual Third District Livestock Show which will be held Sept. 19 through the 24.

To date, livestock entries have been received from Gould, Allheimer, Dermott, Warren, Hampton, Magnolia, Emerson, Delight, Hot Springs, Foke, Texarkana, Pine Bluff and Waldo as well as those from the Hope area. Other are expected by early next week from other areas.

The schedule of evening events for the coliseum are as follows: Monday at 8 p.m., the Annual Youth Jamboree which is a program of amateur acts by 4-H, FFA and other youth groups lasting 1½ hours. In the past this has been one of the bright spots of the entire week.

On Tuesday at 8 p.m. Tommy Trent and his Band from Radio Station KTHS and TV Station KTHV in Little Rock, will appear in the coliseum for a 1½ hour variety show.

Starting Wednesday morning will be the Registered Quarter Horse Show which will last into the evening until finished. Indications are that entries will be here from Texas, Oklahoma, Louisiana and Arkansas, showing their fine Quarter Horses at halter and in the performance classes. Horse lovers will not want to miss this show.

All of the above mentioned events will be held in the coliseum and the only admission for any of these events will be the reduced gate fee of 25c for adults and 10c for children, which will also include parking space for cars inside the fair grounds.

Thursday, Friday and Saturday evenings will feature the annual Rodeo, produced this year by McHood and Smith Ranch. Rodeo Producers of Ft. Worth, Texas. An extra special feature of the Rodeo this year will be the annual roundup of the Texas Barrel Racing Association.

Approximately 40 girls, all members of this assn., will appear nightly in the barrel racing event to be culminated Saturday night with the awarding of their annual prizes for the Champion Barrel Racer of 1960 and the All-Round Champion.

The Sulphur, Oklahoma Riding Club, some 50 strong will arrive in Hope Wednesday, Sept. 21 and remain here for the balance of the week to add color to the Rodeo events. Other riding clubs of nearby areas will also be in attendance nightly. Admission to the Rodeo will be \$1.00 for adults and 50c for children.

The parade committee, headed by Ben Owen, has arranged for two parades during the week. The first one to be the regular Livestock Show Parade scheduled to be held Monday afternoon at 3 p.m. and the Rodeo Parade on Thursday afternoon at 5 p.m. The Monday parade will have the usual lineup of bands from over this area, Civic and school floats, decorated bicycles and pets.

Total prize money for this parade will be \$255.00. Schools and civic organizations wishing to enter floats in this parade are asked to contact Mr. Owen or the C of C office as soon as possible. United Exposition Shows will provide the carnival attractions on the midway during the week.

A. P. Cox of Texarkana is president of the Third District Livestock Show this year and Frank Douglas of Hope is first vice president and treasurer.

## Khrushchev Leaves for UN Meeting

By REINHOLD G. ENSZ

MOSCOW (AP)—Soviet Premier Nikita Khrushchev, heading a big delegation of Communist brass, left Moscow today to prosecute "American aggression" personally before the United Nations.

He flew from Moscow to board the vessel, Baltika at the port of Baltisk for a 10-day "floating Communist summit meeting" en route to the U. N. General Assembly in New York.

Khrushchev waved his hat to a crowd of 600 or 700 persons who had assembled to see him off, and boarded the plane after receiving a chaste farewell kiss on the cheek from his wife, who remained behind.

One of the Soviet leader's final efforts before departing got the leader of the African republic of Guinea lined up behind the USSR on the Congo.

He pulled out all stops in heralding the accord he reached with Sekou Toure during the Guinean president's two-day visit to Moscow.

Toure, who proclaims himself a Marxist but not a Communist, said he would attend the U. N. session opening in New York Sept. 20 and presumably will support Khrushchev on African questions.

The Soviet premier and African leader declared in a communique Thursday night that they were "unanimous in their evaluation of the situation in the Congo."

They demanded "the immediate and complete withdrawal of aggressive troops" from the Congo but did not identify whom they regarded as aggressors.

## More Winners in Beauty Contest

ATLANTIC CITY, N. J. (AP)—Miss Utah and Miss District of Columbia have entered the ranks of preliminary winners in the 1960 Miss America contest.

Miss Utah, Marian Faye Walker won Thursday night's talent competition with her rendition of the waltz aria from "Mirloune."

Ruth Rea, Miss District of Columbia, won the swimsuit competition when she displayed her 5-foot-6 trim 110 pound figure in a black waffle knit swimming outfit.

Miss Utah, 27 and oldest of the 54 girls entered in the pageant, said she felt her victory was "a great step forward as far as my musical career is concerned."

As a result of Thursday night's activities, both girls are assured of a \$1,000 scholarship each even if they do not win anything else.

Miss America will be chosen Saturday night. That girl will receive a scholarship worth \$10,000 and will probably receive another \$40,000 for personal appearances in the ensuing year.

## E. Germans Erect Berlin Iron Curtain

By GEORGE BOULTWOOD

BERLIN (AP)—Communists erected an iron curtain against West Germans inside Berlin today.

In a new challenge to the West, the East German regime forced West German visitors to get red stamped passes for entry into the Communist sector of the divided old capital.

The move defied the four-power agreement for free movement within the city—an agreement that even the Soviets have respected since the four powers took over in the summer of 1945.

Ludwig Erhard, acting head of the West German government in the absence of vacationing Chancellor Konrad Adenauer, rushed by plane to West Berlin. He charged the Communists with committing "a striking breach of law."

Erhard, who is vice chancellor and minister of economics of the Bonn government, was met at the airport by West Berlin Mayor Willy Brandt. They went into an immediate conference.

The travel restrictions went into force at midnight and were gradually tightened at main crossing points between the two sectors of the city.

The action by the Soviet satellite regime had all the effect of making West Germans get "passports" to cross into East Berlin.

## Congolese Defiance to United Nations Spreads to Kantanga

## Defectors' Folks Hear From Sons

EUREKA, Calif. (AP)—The Martins and the Mitchells received cablegrams Thursday from their sons.

Mrs. John N. Martin of Ellensburg, Wash., merely released her message to reporters and said nothing.

"What can we say? What can we do?" asked Emory Mitchell, 65, a Eureka lawyer, after reading his telegram.

The sons, Bernon F. Mitchell, 31, and William Martin, 29, code clerks for the National Security Agency, defected to the Soviet Union. They held a Moscow news conference to announce it.

"Dear father: If I have any regrets in leaving the United States and defecting to the Soviet Union, they only concern the resulting harassment and suffering you and mother must be enduring," Mitchell's cable said.

"Your refusal to join the chorus of public condemnation led by the United States administration until you have had a chance to hear from me directly speaks of your faith and courage."

Martin cabled his parents: "I regret that my departure from the United States has caused you inconvenience and embarrassment."

He said he was in good health and plans to learn the Russian language and continue his studies in mathematics.

Both cables ended the same way—with an invitation to the parents to visit their sons in the Soviet Union.

The Martins said they had no intention of going to the Soviet Union. The Mitchells had no comment.

## Dag Warns Belgium of Tampering

By A. I. GOLDBERG

UNITED NATIONS, N.Y. (AP)—Secretary General Dag Hammarskjöld warned Belgium against tampering in the muddled affairs of the Congo, as the Security Council sought to clarify the U.N.'s position in the chaotic African nation.

Hammarskjöld, under fire from several directions in the United Nations role in the former Belgian colony, leveled a stern warning Thursday night to Belgian U.N. Ambassador Walter Lorrain.

The secretary general said he had received confirmed reports that nine tons of weapons were unloaded Wednesday from a Belgian Sabena Airlines plane at Elisabethville Airport in the secessionist province of Katanga.

He asked Lorrain whether the Brussels government had authorized the sending.

## Bethell Is Speaker of House

LITTLE ROCK (AP)—Rep. John P. Bethell of Prairie County will be the speaker of the House of Representatives in the 1961 legislative his victory decided by the loss of a coin.

Gov. Orval E. Faubus flipped the coin yesterday.

Both Bethell and Rep. Marion H. Crank of Little River County had claimed enough legislative support to gain the post. The race is usually settled at the previous session when candidates line up pledges of support. It takes 51 House votes to win the appointment.

Bethell and Crank said the coin toss would "reset harmony" and prevent partisan bitterness from disrupting the forthcoming session.

Bethell issued a statement which said, "The governor recommended that Mr. Crank and I reach a compromise by letting him flip a coin to determine who would serve, since both of us are his good friends."

Faubus had earlier threatened to back a third man for the speaker's post unless the two could decide which was to assume the post.

The coin toss reportedly was suggested by Rep. Paul Van Dusen of Perry County, a leading Crank supporter.

## UN Troops Forced to Let Planes Leave

By LYNN HEINZERLING

LEOPOLDVILLE, the Congo (AP)—Congo's defiance of the United Nations spread today to secessionist Katanga Province, newly invaded by Premier Patrice Lumumba's soldiers.

UNITED NATIONS, N.Y. (AP)—Secretary General Dag Hammarskjöld has requested the U.N. Security Council to convene an emergency session tonight to deal with the worsening Congo situation.

At gunpoint, Katanga soldiers forced U.N. Swedish soldiers to permit two small planes to take off from the officially still Katanga airport to help cope with the threat of battle in the north.

"It is impossible for Katanga authorities to remain passive," a provincial communique said. "The invasion of the country has to be stopped by all means at its disposal."

Katanga soldiers have been ordered into a counteroffensive against the invading forces, a Katanga army spokesman said at Elisabethville.

He added that Premier Moïse Tshombe had called the U.N. secretary-general, informing him the Congo invasion "could lead to disorders as serious as those taking place in Katanga Province at the moment."

Like Lumumba, Tshombe had previously protested the U.N. Command order that closed Congolese airports to all non-U.N. traffic.

In Leopoldville, Lumumba won Guinean support in his fight against the United Nations.

"The Guinean Congo mission announced it has proposed to President Sekou Toure, now touring the Communist bloc, the withdrawal of Guinean troops from the United Nations command here."

Tibu Tunkara, chief of the mission, said the proposal was motivated by U.N. support of what he described as President Joseph Kasavubu's coup d'etat.

He referred to the conservative president's decree Monday to fire Lumumba, a decree that Lumumba answered by declaring Kasavubu fired. The Congo Parliament invalidated both dismissals and declared both men should keep their jobs.

The reported invasion of Katanga Province was said to have come not as generally expected from battle-torn Kasai Province, northwest of Katanga, but from Kivu Province in the north.

U.N. Mali troops based at Kongo, a Katanga town about 90 miles south of the Kivu border, said 300 or more Congolese soldiers were crossing Thursday.

Katanga government sources claimed, however, that the invaders failed to get any vehicles across the Luika River and were stopped without a fight.

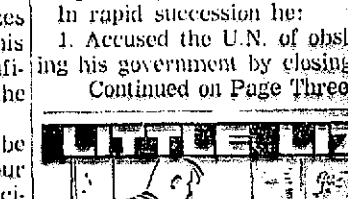

Invasion of Katanga would broaden a civil war in which Lumumba proposes to crush secessionists and other challenging his rule. Hundreds have already died in the fighting.

Lumumba, flushed with oratorical triumph in winning over a hostile Senate, has told the United Nations to yield control over the radio and airports or leave the country.

Emboldened by the 41-2 confederate vote the Segale accorded him, Lumumba moved swiftly toward a showdown with the U.N. Congo command.

In rapid succession he: 1. Accused the U.N. of obstructing his government by closing all

## Rules Out Space Object Theory

CAMBRIDGE, Mass. (AP)—The  
Smithsonian Astrophysical Ob-  
servatory has ruled out the poss-  
ibility fiery objects found in a  
Hartford, Conn., backyard last  
Sunday night came from outer  
space.

After two days of study and  
analysis, the scientists reported  
Wednesday night the objects are  
not fragments of a meteor or  
space vehicle.

They are, said the report, com-  
posed primarily of common com-  
pounds and metal that had been  
subjected to high temperatures  
and of terrestrial origin.

Refraining from speculation the  
report concluded: "The specific  
origin of the fire remains un-  
determined."

Grant Jr., Cissy and Charlotte

panied by Mrs. Marion Franks

Omega sorority at the U of M

versity hand. Miss Harrell is a

## Worry May Help to Cause Trouble With Digestion

The nervous system plays an important part in the  
process of digestion. There are two separate layers of  
nerves imbedded in the walls of both the stomach and the  
intestinal tract. These nerves control the move-  
ments, secretions, and all functions related to digestion.  
It is when these nerves become irritated that digestive  
disturbances may occur.

Worry, excitement, fright, fatigue, or emotional dis-  
turbances tend to upset the delicate nervous mechanism

**3 Buried in Clay**  
PRINCE GEORGE, B. C. (AP)—Three men were killed Wednesday when tons of loose clay tumbled down on a highway crew working near McBride, B. C.

The slide buried Francis Fred Lee, 48; Allen Fear, 50; and his son, Allen Jr., 22.

The government is capable of assuring the protection of life and property throughout the national territory, with the collaboration of the African nations, (U) envisages the retreat in the immediate future of the armed forces of the United Nations in the event they continue to obstruct the action of the government as they are at present.

Lumumba told newsmen a letter he sent to the U.N. command in Leopoldville demanded that the Congo's airports be opened and the national radio returned to the government.

He asserted that seizure of the radio "deprives the citizens of the nation of the possibility of hearing the news of the country and constitutes an act of provocation."

Closing of the country's airports, he added, "prevents their use by the government to assure order and the territorial integrity of the nation."

The U. N. Command took over the Leopoldville radio Tuesday after President Joseph Kasavubu and Lumumba went on the air the previous evening each declaring the other was fired. The U.N. acted on the principle that such broadcast could lead to violence.

The command also blocked Congo airfields Tuesday to halt the shuttle of Congolese forces about the country in Soviet-supplied troop-carrier planes.

Lumumba has been shuffling his forces about in an effort to put down secessionists in Kasai and Katanga provinces, and bloody fighting already has occurred in Kasai with hundreds killed and wounded.

Observers predicted any move by Lumumba to take back the radio stations or airfields would meet stiff U.N. resistance.

**Long engagements are bad for**

Dear Helen: I've been going with a boy five years, during two of which he was in the army. We broke up at different times, went out with others, but we have always gone back together.

Two days before this boy's discharge, my father died, which gave our reunion a bad start as I felt obligated to my mother.

Last June I received my engagement ring. All we do is fuss and fight. This being a small town there is nothing to occupy our time except a drive-in movie, which gets very boring. There is a dance on Saturday night which is one of my favorite entertainments and I would love to go, but my boy friend is not willing to learn.

During our engagement, he wants to carry our relationship further. I am against this before marriage, he said, "What is the difference if we plan to get married anyway?" He is 25 and I am 21.

I hope you can answer my problem so that maybe I can quit worrying. I don't seem to be able to get my mind on anything else.—M.

Dear M.: Long engagements are bad for

Dear Helen: I am a boy of 15 who likes to get a girl and stick to her. I have been going around with one girl for two years, being as nice as I can be, taking her out, treating her, and so on. Every once in a while she decides to run around with someone else, then comes back like Old Philly.

The boy she is running around with now is a real good friend of mine and I hate to see us break up over a girl. I know I can get another girl but what should I do?—The Mixed-Up Kid

Let the girl go and keep your friend. You're too young to be serious about any one girl. Have fun with them all then by the time you're ready to settle down you'll really know your own mind at least I hope you will.

Send your problem to Helen Worden Erskine. Be sure to enclose a stamped, self-addressed envelope and address her care of this newspaper. Helpful leaflets available. Send for "I'm Friends"

Secrets Will Out

By HELEN WORDEN ERSKINE

Dear Helen: I have been married three years and the sordid secret of my husband's past has finally been revealed.

Last week I received an anonymous phone call stating my husband had fathered an illegitimate child. When I confronted him with this, he broke down and cried, telling me it was true. He now wants me to take this child into our home. When I refused he couldn't understand why I would persecute an innocent child. Please help!—Hurt

This happened to a friend of mine in a slightly more dramatic way. The husband brought the baby, a little boy home with no previous warning. It was an old-fashioned Victorian melodrama in modern setting. There was nothing Victorian about the wife. She took the baby into her heart and loved it as if it were her own. Not once did she ever raise the question of its mother to her husband. Then, out of a clear sky, she came back from town one Saturday with a baby girl, plunked it down in her husband's lap and said "Here's a little sister for our son."

Her husband asked no questions. To this day neither knows where the other's baby really came from. Yet, to all appearances they are a happy couple and no two children have a better home than those little orphans of the storm. In your case, before you close the door, think of the child.

Dear Helen: I am a boy of 15 who likes to get a girl and stick to her. I have been going around with one girl for two years, being as nice as I can be, taking her out, treating her, and so on. Every once in a while she decides to run around with someone else, then comes back like Old Philly.

## Calls Conference on Unemployment

WASHINGTON (AP)—Sen. John F. Kennedy, describing administration action on unemployment as a major campaign issue, has called a conference on "new jobs and new growth" in Charleston, W. Va., Sept. 19.

Democratic governors, senators and representatives as well as business and labor leaders from eight states surrounding West Virginia have been invited to participate, the Democratic National Committee reported today.

Kennedy, the Democratic presidential nominee, will speak at a public rally in Charleston's Civic Center at the conclusion of the one-day conference.

Kennedy said specific attention will be given to long-term chronic

Monday — Creamed chicken on rice, seasoned green beans, green pepper rings, tomato wedges, enriched bread, butter, fruit cup, and milk.

Tuesday — Hot dog on bun, baked beans, cheese slices, cole slaw, cherry cobbler and milk.

Wednesday — Chicken pie, hot biscuits, whole kernel corn, green salad, butter, chilled peaches and milk.

Thursday — Spaghetti with meat sauce, green lima beans, carrot sticks, celery curls, hot rolls, butter, apple crisp and milk.

Friday — Tuna salad garnished with egg slices, buttered English peas, tomato wedges, bread butter, jello and milk.

both the boy and the girl. Propinquity is setting your and his nerves on edge. That's why you fuss and fight. If you love him, marry now and put an end to the misery. If you don't, return his ring and call it a day. To carry your relationship further without marriage is to open a Pandora's box of troubles.

tended around the southern tip of Florida and northward up the Gulf coast to Punta Gorda, 24 miles north of Fort Myers. It embraced the booming Naples area.

Gale warnings were raised as far north as St. Marks on the Gulf coast, and the area included Lake Okechobee.

The monster storm already was pumeling the north coast of Cuba. In an emergency warning to residents of the Keys—the long chain of islands extending south and west from the Florida mainland—the Weather Bureau said tides would increase to heights of six feet above normal at Key West, a city of 45,000 and site of a large naval base.

Tides elsewhere in the keys will range up to 11 feet, the morning emergency bulletin said.

"It is extremely urgent that all places within reach of these tide levels be evacuated immediately," it added. "Some low lying roads will be covered by water and this will cut off escape if evacuation is delayed."

Even six-foot tides would inundate a very large part of the Keys.

As the huge hurricane lumbered slowly toward the Florida Strait, separating Florida and Cuba, increasing winds and rain squalls spread across south Florida. Sporadic squalls began soon after daybreak and gusts of wind approaching 50 miles an hour were recorded by midmorning in Miami.

Storm forecasters said winds will increase with each passing squall along the Keys and the southeast Florida coast.

By tonight, they said, Key West and adjacent Keys will be hit by 125 mile winds, with even higher gusts.

"Sustained winds in Miami late this afternoon and early this evening should reach 40 to 50 miles per hour with momentary gusts to 60 to 70."

Hurricane warnings were in effect from Key Largo, 45 miles south of Miami to Key West and the Dry Tortugas. A hurricane watch continued from just south of Cape Canaveral southward over Florida to Fort Myers on the Gulf of Mexico.

Little Rock (AP)—Two Pine Bluff attorneys asked Gov. Orval E. Faubus today to commute the death sentence of Frank Nail, 27, scheduled to die in the electric chair Sept. 16 for murder.

The lawyers, Wilton Steed and John Harris Jones, were appointed by the court to defend Nail after he was accused in the rifle slaying of James Montgomery.

Both Nail and Montgomery were trusty guards at Tucker Prison Farm at the time of the fatal shooting on June 19, 1958.

Faubus took the request under advisement. He said he would study the transcript of the case before making up his mind.

Steed and Jones told the governor that Nail is a mental defective who can do little more than write his own name.

According to trial testimony, Nail shot Montgomery several times after the two got into an argument over Nail's beating a horse.

Nail is scheduled to die on the same day as Emmett Earl Leggett, 24, sentenced in the strangulation slaying of a 14-year-old Jacksonville boy.

Nail was serving three years for burglary at Guy in Faulkner County and had only six more weeks on his sentence when he killed Montgomery.

# Hope, Pine Bluff to Open Season Tonight

By Vince Foster Jr.  
Hope Star Sports Writer

## Cheerleaders Always Yell for Bobcats

At 8 o'clock tonight the Hope Bobcats will open their regular season with the Pine Bluff Zebraws at Hammond Stadium. Tonight's game will be the third in the Hope-Pine Bluff series. Thus far each team has one victory on their win column of this series. The Bobcats will have to put all out to beat the Big Zebraws.

Pine Bluff is rated fourth in the state while the Bobcats are rated 10th in AA. The Zebraws reportedly have the fastest backfield in the state and this could very well be true since they have three out of the 39 Zebra first string backfield. Big guns for Pine Bluff are Polot, a 215 pound tackle and Shinnell, a swift 190 pound fullback. Their attack also includes a good passing team, a dangerous running team and a hard knocking defense.

Monday and Tuesday of this week the Cats have had good practices and are really trying to get ready for Pine Bluff. The starting lineup according to Coach Pierce is as follows:

LE, David Moore; LT, Billy Walters; LG, Junior McNeil; C, Tommy Jones; RG, Sonny Kitchens; RT, Charles Bevelly; RE, Curtis Churchwell; QB, Jimmy Lloyd; LH, Joe Duke; FB, Joe Matt Herndon; RH, John Crain; or Billy Compton and water boy, Ronnie Hankins.

Coach Pierce urges all the fans to come out and support the Bobcats tonight. Maybe the Cats will prove the predictions wrong.

## Across The Counter

FRED O. ELLIS

On the radio the other day I heard this observation: "Middle age is where you realize you have to take care of yourself — starting tomorrow."

When we are young, we can perhaps afford the luxury of delaying health decisions with the hope that we will get around to it "someday." But as we grow older, we realize "There's no time like the present."

Likewise, with insurance. As we grow older and acquire more possessions, it becomes increasingly important to protect what we have. It might be too late to start over again. For that reason, we are often asked to advise people how they can "take care of themselves" as far as insurance is concerned.

There are several logical steps: (1) Come in, or phone for us to visit you, and discuss your insurance program. (2) Let us review and analyze your needs and the "adequacy" of your present policies. We will check too for any overlaps, duplications, or gaps in your coverage. (3) Our "Insurance Clinic" will diagnose any trouble with your program and prescribe a cure. (4) Follow these recommendations. They will be based on your own insurance protection needs.

So, start NOW — today or tomorrow — to "take care of yourself" with the proper insurance PROGRAM!

Over at Senior High, Tonna Taylor is the cheerleaders captain and the only member of the team who is a senior. The juniors on the squad are Jan Reinhardt and Cherry Case, while Becky Willis, Jan Ellis, and Jeannie Lowe are all sophomores. The two alternates are Jennifer Cox, in the 10th grade and Sue Lawder, in the 11th grade.

The senior cheerleaders team went to Sam Houston State College Huntsville, Tex. and took first place in all competition. Moving pictures were taken of the Hope squad to be shown as examples of good cheerleading.

While such advanced facilities as cheerleading camps have not been available for many years, pep has never been lacking at Hope football games. Turning back the clock to 1945 we see that the following folks led the yells for the Bobcats in these years:

1945—Kitty Tolleson, Hazel Spillers, Ellsworth Bailey, Clarence Brown, Buddy Perkins, and Conrad Grisham. Mrs. Marguerite Choniski was their sponsor.

1946—Barbara LaGrone, Buddy Perkins, Bonnie Anthony, Jewel Moore, Virginia Ann Magness, and Buddy Beard. Jewel Moore was captain of the squad. He had returned to high school after three years in the Marines.

1947—Katherine Hailey and Buddy Beard, seniors, Peggy Pentecost, Tony Boyett, and Falba Grisham, juniors, and Lyle Moore, sophomore.

1948—Catherine Cox, Lyle Moore, Falba Grisham, Creighton Middlebrooks, Peggy Pentecost, and Tony Boyett.

1949—Jodie Coffee, Nell Foster, Arthade Hefner, Terrell Cook, James Hollis, and Lyle Moore. All were new to the squad except Lyle.

1950—Nancy Hays, Jack Strickland, Sue Bright, Billy Wayne Mitchell, Ann Barr, and James Bearden.

1951—Ann Barr, Bobby Williams, Ann Houston, Gene Smiley, Claudette Doyle, and Jimmy Mullins.

## Coaching Staff Very Capable

JOHN PIERCE

Rarely does a football mentor win 12 games in his first year as head coach, but John Pierce accomplished that in 1948. Not only did the Bobcats place seven men on the All District Team in 1950, but Coach Pierce was picked by other coaches as District Coach of the Year.

This is Coach Pierce's ninth year in Hope and his third year as head football coach. He came to Hope in 1952 as Junior High football coach and continued to coach Junior High basketball until 1959. After directing the football team at Junior High for one year, Coach Pierce became line coach for the Bobcats and carried out those duties for five years.

A graduate of Crossville High School, Coach Pierce won letters three years in both track and football. He played the position of center on his high school team and also for four years at Southern State College in Magnolia from where he was graduated in 1952.

Married to the former Donna Rich of Stuttgart, he has two sons, Mark 8, and Gary 3½. While coaching at Junior High, Coach Pierce also taught geography. His duties have included being in charge of the library at Senior High in the past.

Today, Coach Pierce is head football coach at Hope High and Director of Athletics. His record as head coach is 19 wins and only 4 losses. Under his leadership, the Bobcats won the 4AA Division football championship in both 1958 and 1959. Also, in 1959 the 4AA Division Good Sportsmanship trophy went to Coach Pierce's Bobcats.

## WESLEY HUDDLESTON

The other three men on the Hope coaching staff are graduates of Hope High and Henderson State Teachers College. The first of these is Wesley Huddleston, who finished in Hope High in 1950 and is a 1954 graduate of HSTC. In high school he lettered in football, basketball and track. He lettered in football and track during his four years in college.

Two years' service with the army as a lieutenant included 18 months spent in Korea. He is married to the former Donna Sue Cooley of Hope and is the father of three sons.

After being assistant coach at Rison for one year, Huddleston went to Sparkman and began football for the first time in 15 years at that school. There he remained head coach for three years.

In Hope, Coach Huddleston will be backfield coach of the Bobcats and his teaching duties will also include seventh grade health and science.

## GORDON BEASLEY

Coach Gordon Beasley will also be Principal Gordon Beasley, both at Junior High. He is a 1951 graduate of HHS and was graduated from HSTC in 1955.

He lettered in football, baseball and basketball in high school. At

## Braves Making Signs of Team After Pennant

By ED WILKS

Associated Press Sports Writer

In the words of Milwaukee Manager Charlie Dressen, the Braves is not dead yet.

Not with guys like Ed Matthews driving in five runs on a pair of homers and Warren Spahn closing in on yet another 20-victory season as they did while clobbering San Francisco 9-4 Thursday night.

Spahn, working for the third time in four days, won his 18th and crashed a home run along with Matthews and Hank Aaron as the Braves moved within six games of first place Pittsburgh. They also gained a virtual second place tie with the St. Louis Cardinals, who like the Pirates were idle in the National League race.

The defending champion Dodgers, 10½ games behind in fourth, won 7-4 at Cincinnati Thursday night. The Cubs beat Philadelphia 2-1.

In the American League, the Baltimore Orioles regained a 1½ game lead, erupting for all their runs in the seventh inning while Jack Fisher pitched his third straight shutout in a 9-0 victory at Cleveland. The Chicago White Sox beat second place New York 5-4. Washington whipped Kansas City 7-0, and Boston beat Detroit 6-1.

Mathews, no longer a sluggish slugger, unloaded a two-run homer in the first inning, then tagged a three-run shot off loser Mike McCormick (12-1) in the

college his sports were football and baseball. Coach Beasley served with the army for six months in 1956. He has been assistant coach at both Bearden and Morrilton.

Beasley is married to the former Betty Guthrie of Hope and they have a daughter. He came to Hope in 1957 as Junior High football coach and has continued at that post except for one year on the coaching staff at Senior High. In the past his teaching duties have also included general science at Junior High. The past two summers he has been working on his masters degree at HSTC.

## BILLY MITCHELL

Hope's head basketball coach is Billy Mitchell. A 1951 graduate of Hope High, he lettered in basketball there and at HSTC, where he was a mid-term graduate in 1956. In high school and college Mitchell filled positions of guard and forward equally well.

After six months' service in the army, Coach Mitchell went to Spring Hill as basketball coach. Last year he was Junior High basketball mentor in Hope.

He recently married the former Vivian Tonnemaker of Hope. In addition to coaching basketball, Coach Mitchell will also teach plane geometry and general math this year at Hope High.

Dennis Chesshir was voted the Best Athlete at HHS in 1945.

## Last Season Proved a Successful One

A determined Bobcat eleven drove until the buzzer sounded but were unable to cope with the Pine Bluff Zebraws and bowed to them 19-7 on Friday, Sept. 11 in Pine Bluff.

The Bobcats won the battle on statistics.

Backed by a caravan of boosters, the Bobcats took DeQueen 23-20 there Sept. 16. In the first quarter Hope jumped to a 7-0 lead as Smiley tossed 23 yards to King for the tally. Duke's extra point attempt was good.

In the second period Smiley ran 23 yards for the score. Extra point try was no good. A few minutes later Duke intercepted a DeQueen pass and romped 65 yds for the score. The Leopards scored once in the second period, and twice in the fourth quarter.

With a few seconds left to play Cox took a Hope punt and almost broke clear, but at the 50-yard line Turner snagged him. Next play, Smiley intercepted a pass for a score.

The Smackover Bucks scored a 4AA conference victory defeating the Bobcats 13-6 on a mud-soaked field here Friday night, Sept. 25. Hope's only touchdown came in the first quarter when Smiley fought his way 25 yards for paydirt. Try for extra point failed.

Smackover's scores came in the last 30 seconds of the first period and third quarter. Fourth period was just give and take in the mud.

The Bobcats bowed in defeat after a hard-fought battle with Ouachita Parish Lions here Oct. 2 by a score of 21-6. First half was scoreless as both teams struggled to break loose. Finally, a Louisiana griddle broke away for a 60 yard drive to go out front 7 to 0.

Minutes later King scampered 45 yards for a touchdown. Then a Lion grabbed a Smiley aerial and ran 67 yards to set up a TD. PAT was good. Lion Hendrix again broke loose for 15 yards bringing the grueling battle to a close.

When the Bobcats defeated

second, Aaron hit his in the first, Spahn, 30, beaten as a starter and in relief at Pittsburgh on Monday and Tuesday, bounced back with an eight-hit job and hit his third home run of the year in the eighth off reliever Billy Loes.

Norm Larker drove in three runs with a pair of singles for the Dodgers, who wrapped up their scoring in the first two innings against loser Jay Hook (10-16). Sandy Koufax (7-12) was the winner with an eight-hitter.

Rookie Art Mahaffey lost his first since called up by the Phils, although allowing just four hits by the Cubs in his seven innings. Ernie Banks' 39th home run scored Chicago's first run and Ron Santo's single scored the clincher in the sixth after a triple by Bob Will. Glen Hobbie (14-17) was the winner.

## Tigers Open Grid Season on Saturday

The Verger Tigers will open their football season in Hammond Stadium Saturday night at 8 p.m. they play host to Lincoln High School of Camden.

The Tigers slipped past Camden last year in a close game, but they have lost their front men and are now lacking in experience and size in the line and backfield. In place of size there is hope that speed will make the difference. The Camden team have all their men returning from last year's squad and are expected to be strong contenders for the championship, along with Pine Bluff (Morrill High) who the Tigers meet next week at Hammond Stadium.

This year's Tigers will be the smallest team suited out in a number of years. If spirit and booster the Tigers will be ready to roll Saturday night, but they will need the support of all fans to give them their finalumph.

The Bobcats won their last conference game at Arkadelphia on Friday, Nov. 13 in a sea of mud by a score of 9-0. In the third quarter Ervin tackled a Badger behind the goal line for a safety. With 35 seconds left in the first half, Smiley fought his way for paydirt. Turner ran for the PAT. Third and fourth quarters were scoreless, the ball dominated equally by both teams.

Eddy King made the first TD early in the first quarter after taking Smiley's 45 yard pass. Turner kicked the extra point. King again scored in the second quarter, once again receiving Smiley's toss.

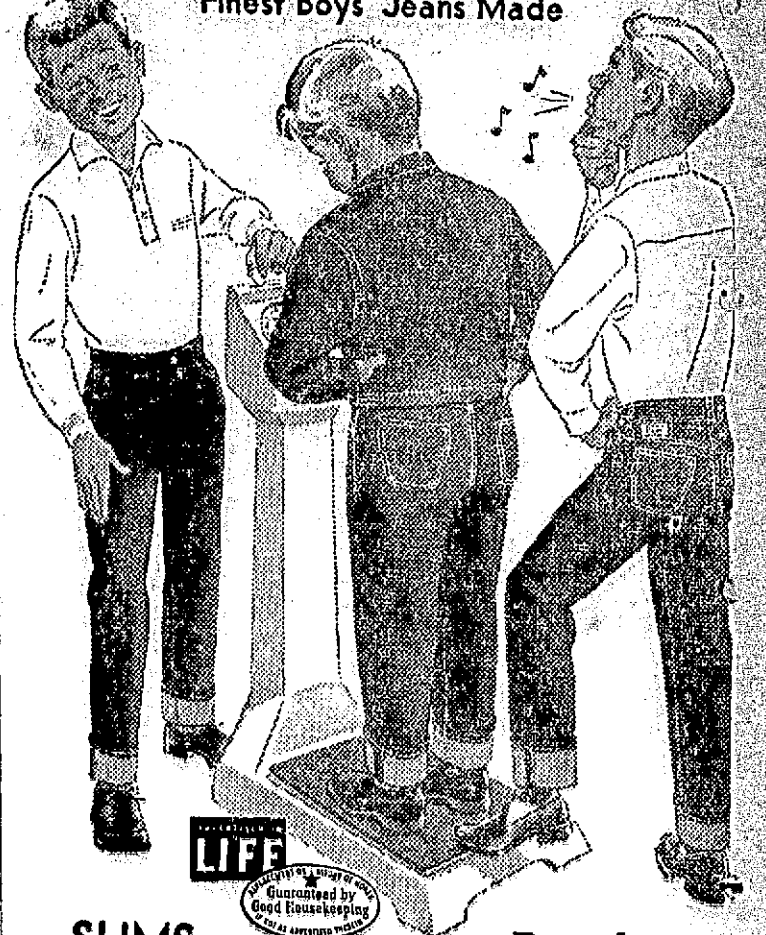

To wind up the scoring Smiley ran 55 yards for the last touchdown. Conversion failed.

With a 14-7 score the Bobcats whipped the Conway Wampus Cats here Friday, Nov. 6. Wampus Cat boosters rode a special train carrying about 500 fans. Neither team could score in

With a score of 12-7 the Nashville Scappers downed the Bobcats on Thanksgiving Day. First score was by the Scappers in the second quarter, climaxing a 90-yard drive. Within three minutes of the end of the third quarter, Vaughn took a pass from Smiley, ran 48 yards, shook off two tacklers, and crossed the goal line. Turner's try for PAT was good.

Hope held a 7-6 lead until a 74-yard Scrapper drive was successful. The remainder of the game was Hope trying, Nashville stopping.

## Tradition Is Part of Hope Grid History

The "Halls of Ivy" known as Hope High School are filled with much tradition and historical significance, as well as expected items like teachers' students, and books.

In 1884 the first high school in our town was built at East Avenue, D and North Main. It was a red frame two-story structure located on the site of what was later Oglesby School. Until 1922, though, it was Hope High School, housing six classrooms, a large home economics room, a science laboratory, classroom, a small storeroom, and two offices. On the grounds the boys had built a small one-room house in which they stored athletic equipment.

Due to its dilapidated condition after 38 years, the red frame building was razed in 1922, and senior high school was moved to the second floor of the old Garland School. That building stood where the Hempstead County Courthouse is today and was not much improvement over the old school so far as being substantial. Lack of safety in Garland School had been the subject of rumor for years.

Hope needed a new high school and there was the beginning of talk about something called "consolidation of schools." The time? The early spring of 1930. The local school board went to work and secured the services of Dr. Howard Dawson of the State Department of Education. Dr. Dawson is now Director of Rural Schools in the United States and maintains his office in Washington, D.C.

He surveyed the school district and reported that consolidation would be feasible in the period of the next ten years, but the immediate concern for Hope should be a new high school building. People could see that the site of Garland School was not sufficiently large for future expansion, but to the horror of many a site "way out on Main Street in an old cornfield that isn't even in the city limits" was chosen.

Immediately steps were taken to remedy the situation. The school district's attorney, O. A. Graves, assisted the school board in getting the City Council to extend the city limits. When construction of the new school began in January, 1931, the old field was no longer "corny" and everybody was so helpful that the building was almost a community project. Dr. Weaver's residence, where Dr. J. W. Branch now lives, and the Reynerson home, where Memorial Hospital is now, were the only homes that far out. But it was pointed out that the school would be on a good gravel road.

The first brick to be laid was on the southwest corner where the auditorium stands. The most modern equipment was purchased, such as the public address system which is taken for granted today but which was the first such installation in any high school in the state. From the cafeteria in the basement to

the science laboratory on the third floor everything was the most modern and up-to-date. The building and its entire furnishings cost slightly more than \$225,000.

After the main building was completed, a home economics cottage was the first additional building which the school was asked to consider. When N. P. O'Neal said he would give the brick for it and some alterations were made of the blue-prints of home economics cottages in the state, the actual work began. The idea was to make it look more like a home than a laboratory, and one glance will tell the passerby that the efforts of many were not in vain. Much of the credit for its wonderful care should go to Mrs. Hamilton Hagan for her excellent supervision.

The next building erected on the grounds was the vocational building for the boys. That was in 1937, six years after the home economics cottage was built. Again Mr. O'Neal came to the rescue and gave building materials. The construction was done by National Youth Administration labor in the state, and this building was the first application approved for N. Y. A. construction in the whole nation. That gave reason for quite a bit of photographing for the federal agency in Washington, D. C. The teacher, R. E. Jackson, who is now retired and lives in Columbus, did much to speed the construction by often doing carpenter work after school hours.

Boosters of the Bobcats worked diligently and realized their dream of having an athletic field in 1938. The tile fence was another donation of Mr. O'Neal.

the labor was done by local boosters with W. P. A. help, and the lights and poles were furnished by the city. A few years later it was named Hammons Stadium in honor of Coach Foy H. Hammons, who has since retired from the teaching and coaching professions.

Landscaping the grounds of Hope High was no small undertaking. The south end of the front lawn posed the greatest problem because the construction workers had deposited all their equipment such as concrete, lumber, bricks, and sand, on that portion of the lawn. With plenty of red clay mud there anyway, growing anything on that lawn would have been nothing short of a terrific headache. Dr. Weaver offered sod from his own south lawn to help alleviate the situation. With three years of constant nursing, that sod did the trick.

The two beautiful magnolia trees on the home economics lawn were also gifts of Dr. Weaver and were transplanted one cold, cloudy day from the back field of his farm. Since they were not too small when they were moved, it took a long time for them to show much growth. Little by little, other trees and shrubs were given to complete the landscaping. One must not, in fact, cannot overlook the pines and other trees, which provide a gorgeous background for the stadium. No human hand could have placed them more perfectly.

For a number of years the band

students at Hope High had used as a band building an old structure. Just south of the home economics cottage, but it was unsatisfactory in many ways, not the least of which was its inaccessible location. So, in 1950 a new band building was erected and was named Cannon Hall in honor of Band Director G. T. Cannon, now of Rayville, La.

Both junior and senior high schools had classes in the same building until 1951. In that year, a new junior high school was completed to the north of senior high school. The opening of the junior high provided much needed additional space and gave relief akin to removing a pair of shoes that are too tight.

The most recent addition to the school plant, which was once "way out on Main Street in an old corn field that isn't even in the city limits," was the erection of a field house in 1957. It was named Jones Field House in honor of school superintendent James H. Jones.

Many trophies are displayed in cases at the field house and at senior high. The oldest of these is one presented to Helen Caudle as the winner in a Reading Contest among high school girls in Arkansas. The interschool contest was held in Little Rock on April 23, 1909. The newest of the trophies are for the Divisional 4AA Football Championships won by Hope High Bobcats in 1958 and 1959. Until it is awarded to someone else the Bobcats also have the Good Sportsmanship trophy,

presented to them in 1959.

A case with his personal collection of minerals was presented to H. H. S. by the late James T. Gentry in honor of his graduating class of 1915. This fine collection, which was presented at that class' reunion in 1945, can be seen across the hall from the auditorium at senior high.

Help from many sources was obtained for securing the facts in this brief history of Hope High School, but special thanks go to Miss Beryl Henry of Benton, a former teacher, principal, and superintendent in the Hope schools. Without the valuable assistance given by her, this could not have been written.

In Miss Henry's words: "Time has certainly justified the extravagance of the school board consisting of Dr. Don Smith, president; Theo P. Will, secretary; Robert Wilson; Charles Harrell; Floyd Moses; C. F. Rounton; and J. R. Floyd. It turned out to be keen foresight and wisdom since the growth of school plants has been remarkable and certainly gratifying and challenging."

## Hope Meets Old Rival in Zebras Friday Night

When Hope meets Pine Bluff in a gridiron clash on this Friday night, Sept. 9, it will be to fight a foe of football that was played by the Bobcats on Thanksgiving for many years, was dropped from the local schedule 11 years, and was renewed as an opponent in 1958.

On Thanksgiving Day 1945 the Bobcats and nearly everyone from Hope went to Pine Bluff to try to break the jinx that the Zebras seemed to hold over them. But the jinx still held out, and the Pine Bluff eleven beat Hope 12-6 in the last game of a 26-year career for Coach Foy Hammons. The Bobcats earned the title of being the state's leading ground-gaining team in 1946, and also the line held the record for being the hardest hitting line in the state. These facts were ably illustrated at the Thanksgiving tilt that year when Hope beat Pine Bluff 25-0.

In 1947 Hope trounced Pine Bluff in a final game 40-13 for the worst defeat in the Turkey Day series. The dazzling speed of the Cats' backs plus their alert defense ripped the courageous Zebras team to pieces. Hope had waited 10 years for this victory in Pine Bluff, and its cyclonic attack settled all scores for past humiliations. Sutton and Britt led the touchdown assault. Pine Bluff's great running back, Bodie was helpless but he and his teammates never stopped trying.

Eleven years elapsed before the Bobcats and the Zebras met again. Then, to begin the 1958 football season, the Bobcats trampled the Zebras, a Big 9 team, 32-0 with team effort. During the first period the Cats began hitting with authority and did not stop until the final buzzer sounded. In the first three minutes of play Watkins passed to Hairr for the first tally. PAT failed. Two minutes later Watkins again passed to Hairr for the second score. Graves converted. Hairr intercepted an enemy pass to run 50 yards for the third touchdown, and attempt for conversion failed. Boothe hit paydirt in the second half making the score 25-0. The third period was scoreless. Again in the fourth period Boothe went over for the final touchdown and Watkins kicked.

Last year a determined Bobcat eleven drove until the final buzzer sounded but was unable to cope with the Zebras, who won 19-7 on their own field in the first game of the season. At half-time the score was Pine Bluff 13, Hope 0. A third quarter touch-

down brought the score to 19-0 for Pine Bluff. Early in the fourth quarter Thurman picked up a Zebras fumble and ran 20 yards for the only Bobcat touchdown. Duke's try for extra point was good. The underdog Bobcats won the battle of statistics.

Bobcat team managers for 1958 were Gene "Workus" White and Don Holt.

HOUSTON, Tex. (AP)—A Negro boy began attending classes at the previously all-white Kashmere Gardens Elementary School today in the country's previously largest segregated school system. Only Wednesday school authorities said no integration of the system was expected until Monday at the earliest.

Supt. John McFarland said Tyrone Raymond Day, 6, son of a bank custodian, entered the classroom this morning as the first child to qualify under U. S. Judge Ben C. Connally's grade-a-year integration order.

## Homecoming Is a Part of Football

If the center of attention at a football game is ever held by the feminine gender, it is at Homecoming. Nothing can match the thrill for a girl to walk the long short distance to the middle of the 50-yard line while all eyes are fastened on her. She may be the Queen or she may be a Maid. But for a moment at least, she is in heaven.

In 1945 Clarence Garrett, Captain of the Bobcat squad, crowned Bonnie Sisson the Homecoming Queen. That was on October 12, Columbus Day, but it will be long remembered by football royalty of 1945 as something more important. The Queen's maids were Betty Ann Benson, Carolyn Sue Sutton, Betty Whitlow, Sallie Jo Chessier, Melba Jo Kimberly, Maxine Bowden, Peggy Pentecost, and Sue Livingston.

The Homecoming Queen in 1946 was Norma Jean Archer, crowned October 25 by Captain Bill Morgan. Her maids were Carolyn Hamilton, Frances Bearden, Mary Lois Ames, Wanda Lawson, Sue Sutton, Betty Murphy, and Nilla Dean Compton. The senior escorts were Buster Rogers, Douglas Mullins, Charles Reed, Dick Bell, Jimmy Walters, Johnny Brannan, Bobby Franklin, Denny Smith, Echols Locke, Billy Milam, Charles Gough, and Wilton Garrett.

Charles Crawford was the Bobcat Captain in the 1947 football season. Halloween that year was chosen for the Homecoming Game. On October 31, Captain Crawford, crowned Elsie Elder, the Homecoming Queen of the 47 Bobcats. Her maids were Wanda Lawson, Dora Lou Franks, Prudence Parker, Maxine Bowden, Catherine Cox, Nell Urrey, Norma Jo Chaney, and Peggy Pentecost. Escorts were Harold Higginson, Wilton Garrett, Elgin Rinehart, Jack Ray, Billy Ray, Williams, Denny Smith, Belvie Osburn, and Robert McCullough.

Homecoming 1948 saw Ethel White the Queen, and S. A. Westbrook the Football Captain. The football maids and their escorts were: Peggy Pentecost and Buddy Sutton; Nilla Dean Compton and Reece Miller; Catherine Cox and Charles Wilson; Emily Jo Wilson and Tommy Brill; Betty Murphy and Joe Martin; Nealia Frances Mullins and Jamie Russell; Mattie Mae Robinson and Bobby Joe Lee; Barbara Jo Simmons and L. J. Sutton; Mary Lou Moore and Jimmie Dick Hammons; Mary Ellen Downs and W. H. Gunter; Arlha Dale Heifer and James McCargo; Loretta James and Bobby Lyle Bearden; Marietta Downs and Don Duffie; Sue Green and Dale Hockett.

Not quite as many maids marched to the strains of "Pomp and Circumstance" in 1949, but there were twice as many queens. Co-Captains Richard Bruner and Burgess Garrett had as their reigning ladies Carolyn Holdridge and Loretta James. Serving the co-queens as maids were Sue Green, Laveta Byers, Donna Sue Cooley, Bobby Taylor, Nancy Hays, Adolphine Andrews, Betty Porter, Greta Caston, Bobbie Jean Formby, Callie Caston, Martha Wray, and Hulda Carr.

The Homecoming Royalty of 1950 was headed by Queens Clara Allen and Wilma Coleman. Their coronation was made by co-captains Joe Barentine and Gordon Beasley. The maids that year were Wanda Spears, Kay Franks, Patsy Hughes, Martha Wray, Charlene Rogers, Caroline Haworth, Nancy Hays, Joy Kennedy, Charlene Davis, Patsy Roberts, Mary Hooper, and Tish Smith.

Co-Captains Henry Lile and William Martin chose for their Homecoming Queens of 1951 Beth Bridges and Edna Earle Wright. Maids were Jackie Holl, Sue Gilbert, Ann Houston, Sara Lauterbach, Betty Saunders, Ann Barr, Martha Gentry, Charlene Rogers, Helen Hall, Gayle Foster, Laverne Cooper, Patsy Hughes, Tish Smith, and Kay Franks. Their senior escorts were Royce Barbaree, Monty Monts, Van Wiggins, Bobby Byers, Morris Kennedy, Travis England, Robert Cox, Orville Bright, Nolan Stanford, Donald Ray Neal, William Camp, Jimmy Dan Baber, "Chubby" Williams, and Richard Duffie.

Nelda Thompson and Patsy Samuels were the Co-Queens selected by the Co-captains Clyde Arnold and Tommy Doyle in 1952. The largest number of football maids were chosen that year — 19. They included Diane Bryan, Virginia Lafferty, Marlene Plumley, Betty Saunders, Ava Nell

Hope High chose Barbara Guthrie as "Miss Football" in 1955. Then at Homecoming Ginny Herndon and Sue Moses reigned as Co-Queens for the Co-captains of the Bobcats Travis Purdie and

Steve Marlar. The royally roster consisted of Judy Walkins, Vivian Tonnemaker, Judy McDowell, Loretta Munn, Mary Lewis, Sandra Hobbs, Kitty Jones, Barbara Guthrie, Pat McGill and Janet McKenzie.

During the '56 football season Hope had Tri-captains for the first time. They were John Nix, Bobby Yarberry and Jack Moran. The senior Bobcats and football maids in the Court of Honor for the 1956 Homecoming were Hal Branch, Glenda Luckabee, Linda Purdie, Morris Cottingham, Judy Franks, Johnny Lingo, Phillip Rowe, Jack Moran, Betty Jo Cox, Orval Brannan, Toni Tompson, John Nix, Charles Tittle, Glenda Hawley, Charles Fowler, Mary Ann Hall, Malinda Marcum, Jimmy Hollis, Patsy Maxwell, Bobby Yarberry, Sue Houston, Gerald Duke, Vivian Tonnemaker and Carolyn Phillips.

## Hope-DeQueen Rivalry Is Tops in Area

The Hope-DeQueen rivalry on the football field has always been rough, tough and exciting. In 1948 the Bobcats, led by Captain Clarence Garrett and Co-Captain Buster Rogers, started their season off with a bang by defeating the visiting De Queen Leopards by the score of 13-0.

The next year the Bobcats were again victorious over the Leopards, stacking up 321 yards gained to the opponents' 60. Final score: Hope 19, De Queen 0. De Queen routed Hope 26-13 in a startling upset in 1947.

Hope Bobcats swung open the curtain on the 1948 football campaign by hoodwinking DeQueen 34-0. For the opener of the '49 season the Bobcats played the Leopards from DeQueen in a thrilling battle from start to finish. The Bobcats came out on top 12-0.

The local melon men suffered a 19-0 defeat to the hands of the Leopards to begin the 1950 gridiron season. DeQueen scored another victory over Hope in 1951, winning the second game of the football year by 26-0.

Taking charge from the opening whistle, the Bobcats, behind the running of backs Arnold and Stone, smothered the DeQueen Leopards 41-0 in the second game of the '52 season.

The Bobcats and the De Queen Leopards battled to a 7-7 tie before a capacity crowd at DeQueen on Sept. 18, 1953. After a scoreless first half, Hipp recovered a fumble across the goal line and Graves' conversion put the Cats out front 7-0. The Leopards got back into the game on the passing of Elliott and Jerry Whitten, who made the score. The horn sounded with Hope 7, De Queen 7.

Favored in weight and experience, the 53 district 7A championship Leopards from DeQueen ran past the Bobcats 13-6 in Hammons Stadium on Sept. 17, 1954. Hope's only score was made in the last quarter when co-captain Bruce Duke plowed through from the four.

The highly favored DeQueen Leopards romped over the Cats 32-6 in 1955 on the DeQueen field. It was the 21st consecutive win for the Leopards. Johnny Nix scored for Hope in a beautiful run which originated as a line plunge but turned into a 77-yard touchdown for the Bobcats.

The Bobcats tasted victory over DeQueen for the first time in five years in Hammons Stadium on Sept. 14, 1956. Nix handed a

punt to Hollis who ran 75 yards for the score in the second period. But a penalty nullified the play. A thrilling epic of gridiron combat ended in disappointment for Hope as they were edged 13-12 at De Queen Sept. 20, 1957. Shortly after De Queen had tallied seven points, Tommy Polk climaxed a 70 yard Bobcat drive by churning over for the touchdown. Score 14-7, an exciting battle that was fought to a standstill ended with David Walkins driving over the goal line to put Hope out front 13-7. But De Queen would not be denied, and valiant Bobcats grudgingly yielded as De Queen scored over for the deciding score of 13-12.

Despite flooding rain, mud, and punting, the Bobcats managed to slip away with a 16-0 victory over the De Queen Leopards in the second game of the '58 football season. The aerial attack of Bobcat teams was held in a standstill, but the ground force of the Bobcats proved profitable when Don Boone plunged through a mass of Leopards for the fabled "Red TD."

Backed by a caravan of boosters, the Bobcats took De Queen 26-20 there last Sept. 18. In the first quarter Hope jumped to a 7-0 lead as Smiley tossed 23 yards to King for the tally. Duke's extra point attempt was no good. A few minutes later Duke intercepted a DeQueen pass and romped 66 yards for the score.

title the Texarkana Razorbacks won before advancing to AAA status was in 1951.

For three straight years, 1952-53-54, the Camden team won the crown. Then, Smackover moved in to capture the title again in 1955. A newcomer to AAA, Crossett, won in 1956. Camden put in another headline appearance when it won the championship in 1957.

Under the guidance of Coach John Pierce the Hope Bobcats have captured the AAA title for the past two years. The battling Hope team had a perfect season in 1958, but the race for the title was closer in 1959. However, the

crown fit just as well both years.

The Division 4AA Conference is rated by many coaches and school administrators as the model district of the state. More progressive movements have been sponsored and developed by this energetic group than any other district.

Several "firsts" are noted for Division 4AA. 1) The first district in the state to employ a football statistician with weekly news releases to all the member school town newspapers. 2) The first to make a rule whereby the home team wore the LIGHT color of the school colors and the visitors wore the DARK color of

## Inexperience Bobcats Have Same Opponents

Hope's football schedule looks very much like the roster for last year with two exceptions. One was the addition of the Camden Jamboree last Friday, Sept. 2. Another will be the game with Malvern on Sept. 30. The latter is a new member of District 4AA and Hope and Malvern haven't clashed on the gridiron since the fall of '51.

As they did last year, Hope will begin regular season play against AAA Pine Bluff. Other non-conference games for Hope will be against Arkadelphia, De Queen, and Nashville. The last two teams are in A Division.

All seven AA Division games come in a row for the Bobcats when they meet Smackover, Malvern, Crossett, Fairview, Magnolia, Camden and Conway on successive Friday nights from Sept. 23 to Nov. 4. Nov. 11 is an open date for the Hope squad.

The Hope High Bobcats will employ a straight "T" formation, modified by a little wing "p" mixed in, according to Coach John Pierce. No predictions are being made regarding the effectiveness of this attack, for it does not seem to be in any books. Only time will tell.

Hope lost 14 lettermen at spring commencement, and 10 were expected to return to the ranks of the red and white. However, that number was cut to 9, when Ford Ward became ill. He will be unable to participate in the games this season.

Experience is lacking, but the Cats have determination and a secret ingredient called "the will to win." Luck and hard work combined with desire and teamwork make the Bobcats a team to watch.

**Right Halfbacks:** Two seniors, Joe Duke and Bill Bright, and one junior, Billy Walters, will see possible action as right halfbacks.

their school colors in football jerseys. 3) The first to set up a rule allowing postponement from Friday night to Saturday afternoon or Saturday night because of extremely bad weather conditions.

Division 4AA was the first district to sponsor Sportsmanship Flags to be flown by member schools as long as their sportsmanship grade is passing. Also in connection with sportsmanship the Division has a Sportsmanship Trophy which is passed to each year's winner, and when one school wins it three times they retain permanent possession of the trophy.

In 1959 Hope won the coveted Good Sportsmanship Trophy for the first time. Resting in the Bobcat Trophy Case, it is a constant reminder of good sportsmanship on the part of team, coaches, managers, and fans.

## Every Team Classed by Arkansas AAA

Something important in Arkansas high school athletics happened in 1947. First, the Arkansas Athletic Association was formed. Then, one of the first moves was made to classify schools according to enrollment. Prior to that time the schools had merely been "big" or "small," and with the new classification new problems arose regarding old boundary lines. New districts were mapped out and established.

Under the new program of athletic progress in Arkansas the divisions were known as Triple A (AAA), Double A (AA), Class A, and Class B. Enrollment determined the school classification. Also, districts were consolidated from 16 to 8.

In 1948 Hope became a member of the newly formed Division 4 Double A. This first group was composed of Camden, Hope, Texarkana, Smackover, and Fordyce.

In the years that followed, Texarkana moved to the Triple A group, Fordyce requested and received a transfer to District 8A, and Magnolia, Crossett, Fairview,

and Arkadelphia joined the 4AA ranks as their enrollment moved them up from Class A.

Who were the champions for Division 4AA since it was formed? In both 1948 and 1949 the Smackover Buckaroos won the title. Camden's Panthers won the championship in 1950. The only

Under the guidance of Coach John Pierce the Hope Bobcats have captured the 4AA title for the past two years. The battling Hope team had a perfect season in 1958, but the race for the title was closer in 1959. However, the

and probably least recognized by the fans for their importance. An interview with the four Hope managers brought out this information: They go out about two weeks before the team does and start getting the equipment ready. That equipment consists of game uniforms, practice uniforms, footballs, helmets, shoes, all kinds of pads, towels, tape, etc.

After practice starts for the teams, the managers usually get out to the dressing rooms a couple of hours before the team arrives. They clean out the dressing rooms, shower rooms and get the equipment ready for the players. This is an every day job. Game and practice uniforms are washed on Saturday in the three washers. Towels and other equipment is washed during the week. Game uniforms are issued to the players on Thursday and the managers start washing the practice uniforms. About twenty wash loads are done each week. The managers move the dummies, sleds and other equipment to the field preceding practice and give whirlpool baths before and after practice to players with pulled muscles. Before home games, the managers are responsible for boys to hold the chains, they also put the flags on the field, yardage markers on the sidelines and clean up the visiting team's dressing and shower rooms.

During the games, they take water to the players during timeouts and quarters, run back and forth to the dressing room for equipment, doctor players during the game for minor cuts, sprained ankles and apply ice packs. For out of town games, they pack all equipment, take care of cold drinks that players get during halftime. After the game is

Junior Varsity members play an essential part of any team. Each day of practice they become the opposition with which the varsity squad prepares for Friday night games. In 1957 the Junior Varsity had only three games due to cancellations. Of these they defeated Fairview 26-0 and Camden 7-0 and lost to Camden 7-0. But perhaps something they took more pride in was the fact that their first string Webb, Floyd Hartsfield, Don Hall, Don Roberts, Phil Jones, Ken Jones and Billy Wray.

THIS PICTURE OF THE HOPE BOOSTER CLUB WAS made in the Community Room of the First National Bank. Officers in the front row are, left to right: Past President Jewell Moore Jr., Secretary-Treasurer Jamie Russell, Reporter Mitchell LaGrone and President Jack Brown. Cheerleaders Tonna Taylor and Sue Lowder were at the meeting also.

## Bobcats, Fans Always Proud of Hope Band

With the opening of football season the band of any school takes its rightful place as musical booster of fans and team alike. No resume of activities at HHS at this time could be complete without a glance at the names of Hope High band members of the past and the present.

In 1945 the band consisted of 40 members and was directed until mid-term by Thomas Lavin, who had assumed those duties while Thomas Cannon was serving with the U. S. Marines during World War II. Back from the war, Mr. Cannon resumed his position of band director in the second semester.

The Drum Major was Jack Bundy in 1945, 1946, and 1947. That first year Bundy led the marching band, the majorettes were Frances Lewis, Melba Jo Kimberly, Jo Ann Card, Sue Livingstone, Patsy McPherson, Maxine Bowden, Polyanna Williams, and Elsie Elder.

Majorettes in 1946 at HHS were Jo Ann Card, Sue Livingstone, Polyanna Williams, Maxine Bowden, Elsie Elder, and Patsy McPherson. Behind the high-stepping Drum Major Bundy in 1947 were Maxine Bowden, Nell Urry, Betty Sue Edmiston, Billie Joyce Boyett, Nancy Martin, and Elsie Elder.

From the majorette line to the head position went Elsie Elder as Drum Major in 1948. The majorettes that year were Caroline Hawthorne, Billie Joyce Boyett, Jo Ann Shields, Nancy Martin, Clara Dean Allen, and Wilma Coleman.

Jerry Bowden began his first of two years as Drum Major for the Hope High band in 1949. In the majorette line were Wilma Coleman, Caroline Hawthorne, Clara Allen, Jo Ann Shields, Jackie Holt, Jimmie Nell Wakefield, Barbara Bright, Syble Shirley, and Kay Franks.

Bowden was back in 1950 as Drum Major and many of the majorettes were also returnees. Those in the line were Clara Allen, Wilma Coleman, Jo Ann Shields, Caroline Hawthorne, Barbara Bright, Polly Jo Compton, and Jackie Holt.

The year 1951 found Nelda Thompson at the helm of the marching band at HHS. Behind the Drum Major an attractive majorette line consisted of Jackie Holt, Joyce Greenlee, Polly Compton, Mary Jo Pincher, Barbara Bright, Bonnie Shirley, and

Syble Shirley. Drum Major Nelda Thompson returned to her position in 1952 followed by a majorette line consisting of Polly Compton, Billie Jo Rogers, Mary Jo Pincher, Betty Saunders, Bonnie Shirley, Syble Shirley, Ollene Shirley, and Kay Franks.

A boy stepped to the forefront, literally, as Drum Major at Hope High in 1953. He was Darwin Smith, and majorettes were Lurline White, Syble Shirley, Jo Ann Harshfield, Frances Frazier, Ollene Shirley, Carolyn Huett, Barbara Holder, and Billie Jo Rogers.

It was back to a girl for Drum Major leadership in 1954 when Gloria Rothwell held the baton. In the majorette line that year were Carolyn Huett, Judy May, Jo Ann Harshfield, Lurline White, Vera Tonemaker, Barbara Holder, Bonnie Tullis, and Joy Colfee.

The next two years, '55 and '56 saw Jerry Wilson as Drum Major of the Bobcat Band. His majorettes that first year were Janet McKenzie, Bonnie Tullis, Jo Beth Reltig, Cherry Elder, Kitty Jones, Jeanette Pincher, and Judy Franks.

Those marching directly behind Wilson in 1956 were Judy Franks, Cherry Elder, Jeanette Pincher, Bonnie Tullis, Rowena Royce, Mary Ann Hall, Kitty Jones, and LaNelle Fuller.

Mary Eppler was Drum Major in 1957. Those in the majorette line that year were LaNelle Fuller, Mary Ruth Calhoun, Ann Cole, Mary Ann Hall, Jeanette Pincher, Brenda Hamm, Elaine Thompson, Nancy Frazier, and Jo Ann Huett.

1958 was the first year for Jon Barbarotto to be band director at Hope High. That year the Majorettes were Elaine Thompson, Louise Prather, Nancy Frazier, Lana Thompson, Mary Ruth Calhoun, Jo Ann Kidd, Jo Carolyn Lewis, Penny Roberts, and Mary Alice Mosley. The feature twirler was Brenda Hamm, and the mascot was Sandra Barbarotto.

Drum Major Freddie Smith led the marching band in 1959. March behind was Mary Alice Mosley in a costume of silver sequins. Mascot Sandy Barbarotto returned to her position dressed in a costume of red sequins. Majorette "Belles of the Band" were Lolly Prather, Jo Ann Turnage, Jo Ann Kidd, Brenda Deloney, Teresa Tullis, Patsy Beard, Norma Jean Cannon, and Lana Thompson.

When the Hope High Band marches at halftime of the Pine Bluff game next Friday, it will be behind the Drum Major Ronnie Formby. Mary Alice Mosley will be feature twirler, Assistant Drum Major Lolly Prather is also Majorette Captain. Regular majorettes this year are Mary Beth Allen, Pat Beard, Betty

## 'H' Club Is Organized Back in 1946

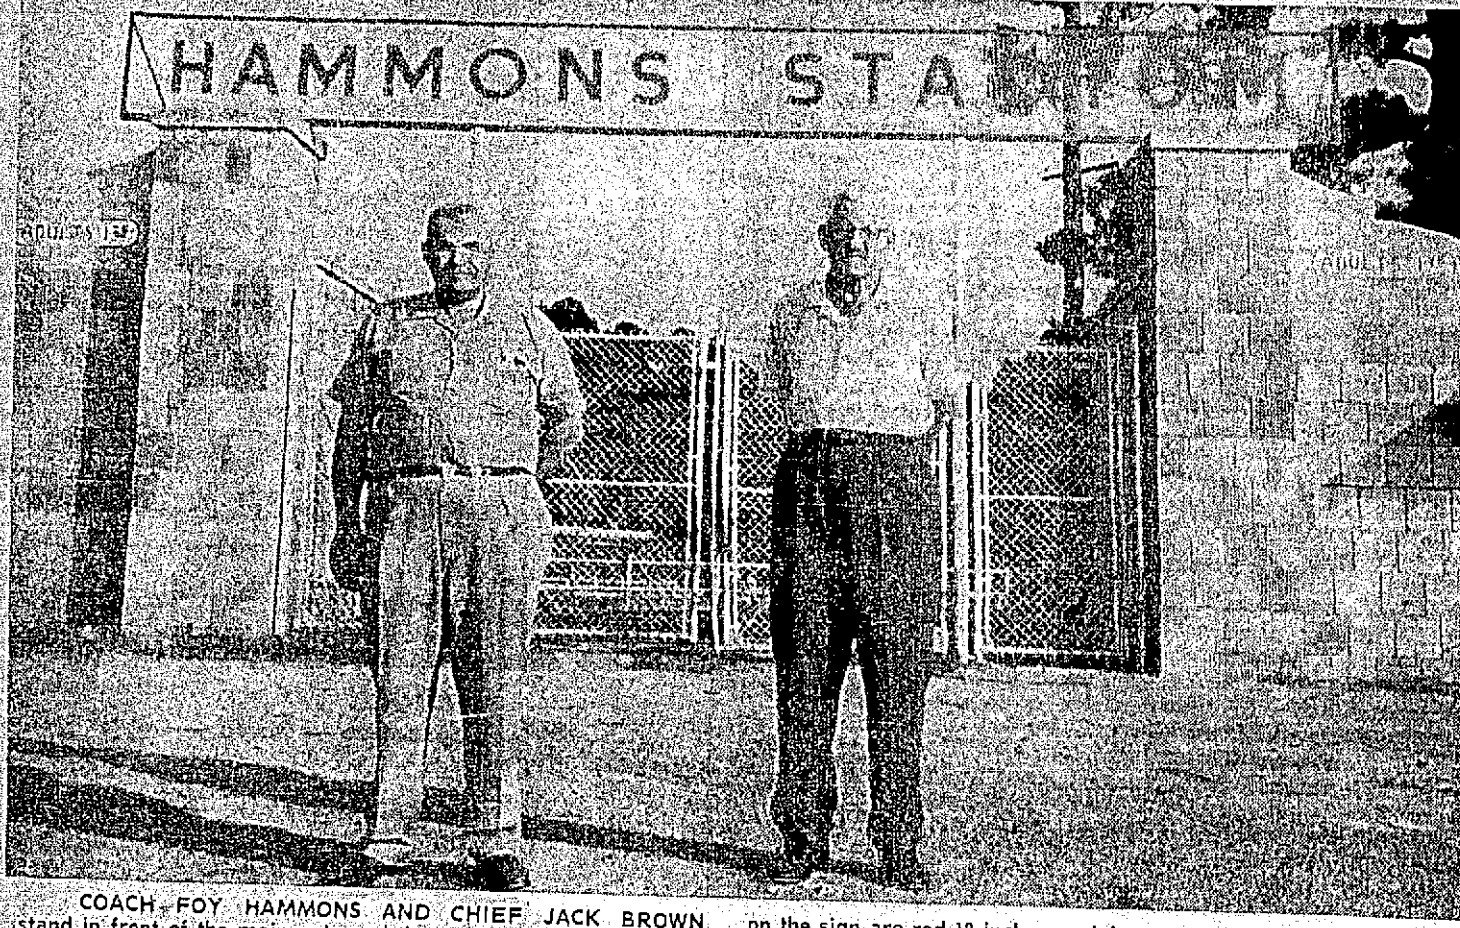

All boys who had lettered in football or basketball at HHS organized the 'H' Club in the spring of 1946. The organization was made up exclusively of Hope High School athletes who had earned letters in one of the sports.

The club had its first meeting on Friday, March 29 of that year.

Members of the 'H' Club in 1946 were as follows: Rogers Mills, Jimmy Walters, Eugene Miller, Johnny Brannan, Perry Campbell, Billy Milam, Jack Wells, Robert McCullough, Jack Ray, Tom Zimmerman, Don Holt, Douglas Mullins, Buster Rogers, Raymond Byers, Charles Reed, Billy Rugles, Charles Gough, Dwight Sanders, Billy Ed Basye, Charles Crawford, Bill Beard, Joe Cassidy, Dennis Chessnut, Bill Morlon, Charles Hyatt, Buddy Porter, Billy Arnold, Ralph Saunders, Coach Nolan Tollett, Coach Joe Diddy, and Supt. James H. Jones.

Ratcliff, Brenda Deloney, Pat Rogers, and Ruth Ann Mahon. Alternates are Lana Thompson and Ann Arnold.

Coach Hammons guided the Bobcat teams from 1933 to 1944. Chief Brown is the new president of the Booster Club. The letters on the sign are red 18 inch porcelain on an aluminum background. # 1958 Bobcats Won All Games

The most spectacular football season in Bobcat history came in 1958 when the Cats won the AAA Championship for the first time. The team record of 12 winning games was not that in name alone, but also in fact.

At the end of the season Coach John Pierce came in for district honors, and the Bobcats placed seven men on the All District team. They were John Graves, David Watkins, Jerry Thurman, David Duke, Bill Haire and Roy Love. Don Boothe took top honors by being selected outstanding player in the district. Boothe and Duke also won All State honors.

Hope's Bobcats excelled in the air with a total of 3,268 yards gained rushing and 140 passing. On defense, the Cats held their opponents to 1,337 yards rushing and 217 yards passing. As the season closed, the Bobcats had scored 400 points with an average of 33 points per game. Scoring by opponents was limited to 60 points. No team scored over 13 points a game that year against the Bobcats.

Following in the footsteps of the undefeated 1958 team, the '59 squad had to overcome inexperience, injuries and second guessers. They did that by winning seven games and losing only four to take the District AAA Championship for the second year. There was some dispute over the championship of the district last year, but in the end it was decided in favor of Hope.

For the first time the district good sportsmanship trophy was awarded Hope. This is given as a reward for sportsmanship on the part of team, coaches, managers, and fans.

Larry Vaughn made the All State team, and honorable mention went to Terry Don Thurman and Johnny Shell. All District honors went to Teddy Messer, Terry Don Thurman, Johnny Shell, Bryon Smiley, Willie Ed Sutton, and Larry Vaughn. Honorable mention ratings were given Johnny Turner, Bobby Erwin and Ed King.

## Star Sportswriter

Vince Foster

Joining the Hope Star staff as Sportswriter for the current football season is Vince Foster, 15, son of Mr. and Mrs. Vincent W. Foster. Vince has played two years on the junior football team and three years on the junior basketball squad. He has a letter in each sport plus a letter as the football manager. For the past three years Vince has been an honor student. Last year he was president of his class and a member of the student council. Vince is a member of the First Presbyterian Church where he is a past president and past secretary of the youth organization and is presently a council member of that organization.

This is the latest project of the club, which has only been in existence since 1956.

While the accomplishments in the field of local sports have always been the goal of the Hope Boosters Club, the members have succeeded in that respect, too, from securing equipment at the grade schools and the ball park to filming all Bobcat games for further showing and study by the team and coaches.

Dr. Lloyd Guerin performs this valuable service of filming the games, and he recently returned from Memphis where he learned more about the procedure. He

was on hand at the Camden Jam-boree last Friday night and will put the games on film throughout the season.

The President of the Hope Boosters Club is Jack Brown, Milton (Scrub) Mosier is vice president, and Jamie Russell is secretary-treasurer. These three men with past president, Jewel Moore Jr., make up the Board of Directors. Roy Taylor was the first president of this organization. He was succeeded by Kelly Walton, Jack King and of course, Jewel Moore Jr.

Because a membership drive is now being conducted, an accurate count of the members is not possible at this time. However, new membership tickets are now available at \$2.50 a year. What

In 1957 Lynn Wiggins, center, was named to the All District and the All State teams and won the "Player of the Year" award, and Tommy Polk was All State and All District quarterback.
